## Individual & Semi-Private Training - -

Custom developed programs are designed specifically for each athlete according to strengths, weaknesses, goals, etc. Athletes are taught speed and quickness skills that apply to the sport they are involved in.

**Speed Academy Clinics** —The group class is designed in 4-week blocks to cover the entire content of the course material. The class meets once per week and athletes are given written material for home use and are continually evaluated on their progress.

**Advanced Speed Academy**—The Advance Academy is a progressive class that meets twice weekly over a 4-week period. During each training session, athletes are guided through fun and challenging workouts that are combined with homework to maximize improvement and ultimately help them become faster, stronger and injury resistant.

**Weekend Speed Camps - -** Hammer Academy hosts’ 2-day weekend speed camps. Athletes are taught in several small group sessions on the techniques to improve speed and overall increase athletic ability. Camps are usually on Saturdays and Sundays from 9:00AM—12:00PM.
